LOTS ADJACENT TO AN ALLEY — PLEASE NOTE

The rear property line is located approximately eight feet from the edge of alley pavement. This area is considered the alley terrace. It is owned by the MHNA, however the property owner is responsible for the maintenance. This area should remain clear for passing vehicles, snow plows, snow storage and garbage trucks. It is recommended that a two to three foot gravel shoulder along the edge be installed for ease of maintenance. Any plant materials located in this area are at the risk of the homeowner.
